ABOUT GEORGIA JEWELERS ASSOCIATION

The Georgia Jewelers Association (GJA) is a non-profit organization whose mission is to promote and protect the welfare of retail jewelers in our state. In existence for over 50 years, there are currently almost two hundred retailer and supplier members throughout the state.

GJA looks for ways to save money for our members and through our partnership with Atlanta Police Foundation Crime Stoppers, we are able to offer rewards for convictions of crimes against the jewelry industry in the state of Georgia. Contact GJA by phone or by email with your questions about membership.
